DETAILED ACTION

Claims 1, 3, 6, 9, 10-14, 18-24 are currently pending and are present for examination.

Claims 3, 6, and 9 are now under consideration. Claims 1, 10-14, 18-24 remain withdrawn from consideration as being drawn to non-elected invention.

Applicants' amendments and arguments filed on 6-24-04, have been fully considered and are deemed to be persuasive to overcome the rejections previously applied. Rejections and/or objections not reiterated from previous office actions are hereby withdrawn. Specifically Examiner has withdrawn the rejection under 35 U.S.C. 112, 1st paragraph as non-enabled due to lack of biological certification in view of the certification provided by the applicant on page 9 under "remarks".

Drawings

This application has been filed with drawings that are objected to by the Examiner.

Figure 3 continues to lack sequence identification numbers. Particularly, it is noted that figure 3 contains two sequences, a polynucleotide and a polypeptide sequence. A specific SEQ ID NO: for each sequence is required for the same either in the figure description or in the figure itself, in response to this Office action.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

Art Unit: 1652

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Lee Neiman on 7-14-04.

The application has been amended as follows:

Please cancel claims 1, 10-14, 18-24 without any prejudice.

Allowable Subject Matter

Claims 3, 6 and 9 are allowed.

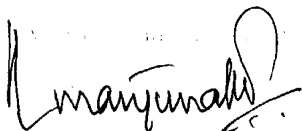

The following is an examiner's statement of reasons for allowance: Following a diligent search it was determined that the prior art neither teaches nor suggests a polynucleotide with SEQ ID NO:2 encoding a levan fructo-transferase as claimed in claims 3, 6, and 9.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
